

Apron storage racks

Mobile rack – 102/C

- Enables aprons to be selected, removed and replaced with ease
- Shoulder shaped arms prolong the life of aprons
- Model 102/C/11 as shown holds 11 aprons. Model 102/C/06 holds 6 aprons
- Rack can be positioned at any convenient location and moved as required
- Ideal for locations where walls cannot support the weight of several aprons on a wall rack
- Supplied in an easy to assemble flat pack

Multiform apron wall console – model 100

- A rack with shoulder shaped arms to prolong the life of aprons
- Arms swivel away from the wall to locate an apron then fold flush, even when fully loaded
- Model 100/5R (5 arms to the right) as shown holds 5 aprons. For 10 aprons add a model 100/5L
- Range includes models for 1 apron and others for 2, 3 or 4 aprons with arms to the left or right
